Music Tuition

As Head of Music I would like to inform you of the one-to-one tuition we offer at Arnold Hill Spencer Academy in a range of instruments. We are currently signing pupils up for lessons with our peripatetic teachers. Please see below for details of how to sign up for lessons. If your child is in receipt of Pupil Premium funding then please complete the online form as detailed below but also contact me directly so funds can be allocated.

For all peripatetic lessons (singing, guitar, bass, drums, keyboard, piano, flute, clarinet, saxophone, violin):

MLC Academy will be providing a central hub for all our peripatetic lessons as well as providing valuable support as we relaunch the extra-curricular programme. All teachers are fully DBS checked and have undertaken Arnold Hill's rigorous safe-guarding training, as well as being experienced teachers in their respective instruments. You can see their 21/22 prospectus here <https://mlc-academy.com/prospectus/>

Lessons will take place in the Music Department practice rooms- these are specially designed spaces equipped with pianos, amplifiers and drum kits as appropriate. Lessons will be timetabled during the school day in 20 minute blocks in the first instance.

Students will be expected to make a note of their lesson times and make their way to the practice rooms in good time for each lesson. Classroom teaching staff will be made aware of peripatetic lessons resuming. Instrumental teachers will be putting their students on a rotation system in order to minimise any disruption to timetabled lessons.

In order to have your child added to the timetables please fill in the form at the address below and select '**Arnold Hill Academy NG**' from the pull down locations list.

A member of their team will then get in touch to organise payment and times for lessons. Please look out for emails from office@mlc-academy.com and check your spam folder as they can occasionally be found there.

To gain the full advantage of tuition we would suggest students attend one of the school ensembles that will take place after school across the week.

Please contact myself at the email address below if you have any further queries regarding peripatetic lessons.

Yours faithfully

Chris Miles
