Dear Parent/Carer

Re: Year 12 Geography Fieldwork visit to St Ann's, Nottingham 11th October 2022

Fieldwork is an essential aspect of geography and makes up a sizeable part of the final A level exam. It ensures that students are given the opportunity to consolidate and extend their geographical understanding by relating learning to real experiences of the world.

The A level Geography course specifies that all students must 'engage with a range of quantitative and qualitative approaches involved in representing place', and analyse critically the impacts of change on place meaning and representation. We are therefore planning to take our students to St Ann's, Nottingham where they will explore the developing character of the area for their local place study and/or data collection methods.

The visit will take place on Tuesday 11th October 2022; all students are expected to attend.

Students will have their morning lessons as normal and then have some time to eat lunch on site before meeting in the Sixth Form Centre at 12.30pm prompt for registration. We will leave school at 12.35pm and walk to the bus stop at Gedling Road shops to catch the 56 NCT bus into the city centre. From there, we will walk for approximately 15 minutes to the place of study. The field visit is expected to last for approximately two hours and students will be supervised at all times. Afterwards we will walk back into the city centre and students will be dismissed to make their own way home.

As we are completing fieldwork, students will need to bring equipment to write/draw with, and if they have a camera they may bring it, or alternatively use their mobile phone cameras. They will also need to bring sufficient money to purchase their bus ticket, currently priced at £1.50 single or £2.70 for an all day ticket.

To confirm your child's place on this visit we require the following **by Tuesday 27th September:**

1. A parental consent form completed electronically using the link below

We reserve the right to exclude from this visit, at any point, any student whose behaviour gives us cause for concern.
