Dear Parent/Carer

Arnold Hill Spencer Academy CCF – 28th January 2023 Safe Weapons Training

On the above date we will be running weapons training at Nottingham High School which will enable cadets to be confident with the weapon system. (It is also a requirement for cadets to attend summer camp this year and an invitation to this event has already been emailed to you separately). Attendance by all cadets is encouraged so they can complete this part of their Advance qualification, but more importantly, they will be able to attend camp and make the most of the training available. We will cover the Theory parts of Weapon Handling Training in school, this way we can focus on the practical side and test at Nottingham High School. The day will start at Nottingham High School for 08:00 and cadets will need picking up, at the latest 20:00.

The dress for this event will be Full Uniform and Smock and they will also need to think about warm kit such as gloves, hat and jumpers. Cadets should speak to me if they have any questions or queries about what they need to bring so we can try to sort something out.

Parent/carers will be required to drop off and collect their child or arrange for them to arrive/depart safely, at/from the following venue:-

Nottingham High School
NG7 4ED (Forest Road East entrance)

A completed consent form must be completed by **10th January 2023** in order for cadets to take part. Without this form being submitted cadets will not be able to take part.

Consent form: <https://forms.gle/hkoTp3bo9QiH7xvy9>

There are no charges associated with this event, but all cadets will need to bring their own lunch and plenty to drink as there are no shops on site. We will provide the evening meal for the cadets so please state any dietary requirements on the consent form.

Yours faithfully

R Hatfield
