

20th February 2023

Dear Parent/Carer

Re: Industrial Action 1 March - Year 11 Mock Exams

I am writing to you to confirm the plans for the mock exams that are due to take place on Wednesday 1 March.

All students are expected to arrive on site using the Clarbrough Drive entrance by 8.25am to complete the GCSE Physics paper. Students will be expected to attend school in full school uniform and have all relevant equipment required for the exam including a black pen and calculator.

Students not completing the GCSE PE Mock Paper

Students will be able to leave the site following the completion of the exam unless your child has been invited to attend alternative onsite provision.

Students completing the GCSE PE Mock Paper

Students that are due to complete the GCSE PE paper will have access to IT facilities to prepare for the exam. The exam will commence at approximately 11.30am providing all students with a break between the two papers. Please can students ensure that they arrive to the academy with any drinks or snacks that they may require.

Students will be able to leave the site following the completion of the exam unless your child has been invited to attend alternative onsite provision. Students invited to attend onsite provision will be able to purchase lunch following the completion of their exam.

It is essential that all students arrive to the academy on time and ready to complete their mock exams on this day. The results achieved will be used to inform teaching and revision in preparation for the final summer exams, but also to inform the predicted grades that will be provided to Sixth form, College, Apprenticeship and Employers reference requests. Failure to complete the exams may have a negative impact on the predictions we are able to provide.

Thank you for your support.

Kind regards

Ms Ella Strawbridge
Assistant Vice Principal
