

“Be Inspired & Achieve Together”

21st February 2023

Dear Parent/Carer,

Re: Spencer Superstars Charitable Foundation

As a member of the Spencer Academies Trust we are able to bid for funding from the '*Spencer Superstars Charitable Foundation*'. This charitable foundation supports children and young people across the trust to live their passions and follow their dreams in one or more of the following disciplines:

- The Arts
- Sports
- Science & Technology
- Entrepreneurship
- Conservation
- Wellbeing & Healthy Lifestyles
- Community Projects

It may be that a young person is passionate about portraiture, fashion or music. They may be a promising athlete, or have an idea to create a new App to help learning. Perhaps the young person has a blueprint for an ethical start up business for protecting the environment, or for making a contribution to healthy living and volunteering. Whichever discipline a child is passionate about, the Spencer Superstars Charitable Foundation will accept funding bids to support a young person's passion.

If your child is interested in us submitting a bid for funding, up to a maximum of £1,000, then please ask them to send an email to me at spencersuperstars@arnoldhillacademy.co.uk detailing what they have done so far in relation to this activity and describing how the money they might receive would be spent including costings and timescales. On receipt of a request we will check we have all the information required before submitting a bid to the charity.

Please speak with your child about this opportunity and encourage them to submit an application.

Kind regards,

Matt Robertson
Principal
