

10th March 2023

Dear Parents/Carers

Re: Snow closure

Unfortunately, due to unforeseen technical difficulties and increasingly poor weather conditions we have had to review our decision and have decided to close the academy today.

We are very sorry; however, the site is not safe for students to be walking around at present.

Remote Learning Provision through the Connect Curriculum

Students are provided with learning today for all lessons across the curriculum. Students are required to follow their timetable which can be found on Synergy.

They should also follow this link to the Connect Curriculum:

<https://sites.google.com/arnoldhillacademy.co.uk/connect-curriculum-2022-2023/home?authuser=0>

Year 12 and 13 students are to follow work set on Synergy.

Kind regards

Matt Robertson

Principal
